

## **Passive House Exhibition 2011**

Passive House components provide maximum comfort with minimum energy costs in new buildings and refurbishments alike. Whether you want insulation materials, windows or ventilation systems with heat recovery - all leading manufacturers of Passive House components will be represented at the accompanying specialist exhibition. Here you will find first-class advice, information materials, illustrative models and experts happy to answer your questions. In parallel, a lecture series taking place during the exhibition will provide visitors with a source of additional information.

Date: Friday and Saturday, 27 and 28 May 2011  
Venue: Congress Innsbruck  
Rennweg 3, A-6020 Innsbruck, Austria

Time table: 27 May 2011, 9:00 - 19:00  
28 May 2011, 9:00 - 17:00

Admission to the exhibition free for all visitors
